**GOVERNMENT'S EXPARTE MOTION TO EXCEED PAGE LIMIT FOR
RESPONSE TO DEFENDANTS' MOTION FOR A NEW TRIAL BASED
ON NEWLY DISCOVERED EVIDENCE**

The United States of America, by its undersigned attorneys, respectfully requests permission pursuant to Local Rule 7.1.(d)(3)(a), to file a response to defendants' motion for new trial based on newly discovered evidence, in excess of 25 pages, and in support, states as follows:

1. Although briefs are typically limited to 25 pages by local court rule, the government asks for permission to exceed these page limits pursuant to E.D. Mich. Local R. 7.1(d)(3)(A).

2. To thoroughly respond to the defendants' motion, the government must analyze two different trial transcripts and incorporate several portions of those trial transcripts in its reply.

3. The governments' response also contains several images of text messages that are a crucial part of the government's analysis.

4. By incorporating the above information into the government's response, the government will exceed the 25-page limit by approximately nine pages.

WHEREFORE, the government requests that this Honorable Court grant its *ex parte* motion and allow the government to exceed the 25-page limit for its response to defendants' motion for new trial based on newly discovered evidence.

Respectfully submitted,
